

Roasted Cherry Tomato Sauce

This Roasted Cherry Tomato Sauce is packed with flavour from those little rascals when caramelized in the oven. The sauce has become my all-time favourite, quick and easy tomato sauce recipe that does not require any extra sugar added – only the sweetness from the fresh outdoors and sunshine. Y'all enjoy! 🌸

Creator: Tracey Williams CFNC - August 2026

AI Assisted Recipe Development: Ezra Darash

Yield: About 2 quarts

Prep Time: ~ 15 minutes

Cook Time: ~ 1 hour 15 minutes

Total Time: ~ 1 hour 30 minutes

Ingredients

- 2-3 lbs fresh cherry tomatoes, washed, stems removed
- ¼ cup extra virgin olive oil + some for roasting tomatoes
- 1 large yellow onion, diced
- 1 Tbl fresh garlic, minced
- Handful fresh basil leaves, stems removed and chopped
- 3-4 sprigs fresh thyme, stems removed and chopped
- ½ tsp sea salt or pink Himalayan salt, or to taste
- 1/4 tsp fresh ground black pepper, or to taste
- ¼ tsp cayenne pepper (optional)

Directions

1. Preheat oven to 400°F.
2. Slice tomatoes in 1/2.
3. Toss tomatoes with just enough olive oil to lightly coat them. Spread coated tomatoes in an even layer on the baking sheet.
4. Roast in oven for 25-30 minutes or until tomatoes are beginning to shrivel. Remove from oven.
5. While tomatoes are roasting, add ¼ cup olive oil to a heavy bottomed sauce pan. Heat over medium heat until oil begins to shimmer.
6. Add the onions and cook, stirring occasionally, until softened. (about 4-5 mins).
7. Add the garlic. Stir to combine and cook for another few minutes until garlic is golden.
8. Add the roasted tomatoes including the cooked liquid from the pan, herbs and stir to combine. Season with salt and pepper to taste. Cayenne too! (If you want a little kick!)
9. Turn the heat down and partially cover leaving a small gap for steam to escape. Simmer for at least 25 minutes – up to an hour – stirring occasionally to prevent sticking to sauce pan.
10. Remove the pan from heat and let cool for 10-15 minutes. Once cool enough, use an immersion blender and blend until sauce reaches desired consistency.

Incredibly yummy health-conscious recipes from the BBN kitchen...Southern Style. 🌸

11. Pour the sauce into pint-sized canning jars or air-tight containers. The sauce will keep for about a week in the refrigerator or up to 3 months in the freezer. (**NOTE:** If freezing, allow enough space (~½ in) at the top for expansion.)

Approximate Nutrition (Per Serving)

Serving Size: ½ (125 g) cup

Calories: ~55

Protein: ~0.8 g

Carbohydrates: ~3.9 g

Fiber: ~1.1 g

Net Carbohydrates: ~3.9 g

Healthy Fat: ~4.4 g

Nutrition values are approximate and based on a 2.5-lb tomato batch, the listed ¼ cup olive oil plus approximately 1 Tbsp used for roasting, and an estimated 2-quart finished yield (16 servings). Actual values vary with tomato size, oil retained, and final yield.

High In: Lycopene • healthy monounsaturated fat

At **Basic Biblical Nutrition**, we believe that **it IS personal** — because everything is connected, every person is uniquely created, and all things matter. We approach Functional Nutrition through a biblical lens, continually asking, “What does God say?” as we pursue health that glorifies Him in body, mind, and spirit. As Scripture reminds us:

“Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.”
(1 Cor 10:31, KJV)

Nourishing Body. Mind. Spirit.
