

BBN Eggplant Lasagna

A delicious Southern-style twist on classic lasagna, made with tender roasted eggplant instead of pasta. Layered with savory mushroom marinara, creamy ricotta and spinach, and plenty of melty cheese, it's hearty, comforting, and wonderfully low-carb. And believe me, Honey—you won't even miss the pasta 🌸

Yield: About 12 servings

Serving Size: Approximately 3" x 3" piece

Prep Time: ~20 minutes

Cook Time: 50 minutes

Total Time: ~1 hr 30 minutes

Ingredients

- 2-2½ lb eggplant, preferably Chinese or Japanese eggplant, sliced ~½ inch thick
- 3 ½ Tbl extra virgin olive oil
- 1 ½ tsp Celtic salt or pink Himalayan salt
- ½ tsp Fresh ground black pepper
- 16 oz sliced fresh Baby Bella mushrooms
- 3 cloves garlic - minced
- ½ - 1 Tbl chopped fresh oregano
- 24 oz marinara-style pasta sauce (see BBN Roasted Cherry Tomato Sauce recipe)
- 15 oz container part-skim ricotta cheese
- 2 - 3 cups fresh organic spinach -- wilted
- 1 large egg
- 1 cup shredded mozzarella cheese or a blend of mozzarella-provolone
- ½ cup grated parmesan cheese
- 2 Tbl chopped fresh basil
- Organic avocado spray

Directions

1. Preheat the oven to 400°F.
2. Line 2 rimmed baking sheets with parchment paper and lightly coat with avocado spray. Also spray the glass lasagna with the avocado spray and set aside.
3. Arrange eggplant slices in a single layer on the 2 baking sheets. Lightly brush the eggplant slices with olive oil on both sides. Sprinkle salt and pepper over the eggplant slices to taste.
4. Roast the eggplant until soft and golden -- ~ 25 minutes, flipping the slices over and swapping pan positions in the oven – just in case the oven doesn't bake evenly.

5. While the eggplant is roasting, take a large skillet and heat a tablespoon of olive oil over medium heat. Add the sliced mushrooms and sauté the mushrooms until soft -- ~6 - 7 minutes. Add the minced garlic, ½ tsp salt, and oregano. Cook another 2 minutes. Remove the pan from heat. Stir in the marinara sauce.
6. In a large bowl mix the ricotta cheese, ¼ cup parmesan cheese, egg and ½ tsp salt and ¼ tsp pepper. Mix until all ingredients are nicely combined. Stir in the spinach. Use a fork to shred the spinach and mix into the cheese mixture until evenly distributed.
7. Spoon half the mushroom marinara sauce on the bottom of the lasagna pan and spread evenly. Layer eggplant slices on top the sauce and then ½ of the cheese mixture on top of the eggplant slices. Add another layer of eggplant slices and the rest of the cheese mixture. Add the remaining mushroom marinara on top of the cheese mixture. Top with mozzarella and ¼ cup parmesan cheese.
8. Bake for 25 – 30 minutes or until the cheese is melted and the lasagna is hot and bubbly. Remove from the oven and garnish with fresh herbs.
9. Let rest 5 to 10 minutes before serving.

- 🧄 Garlic, oregano and basil — additional phytonutrients
- 🧀 Ricotta, mozzarella and Parmesan — substantial protein and calcium
- 🫒 Extra-virgin olive oil — predominantly monounsaturated fat and polyphenols
- 🥚 Egg — protein and several micronutrients

It earns 4 stars rather than 5 because a meaningful portion of its calories comes from cheese and olive oil.
