Yield: 6–8 servings

Serving Size: Approximately 1½ cups plus garnishes

Prep Time: 30 minutes

Cook Time: 55 minutes

Total Time: ~1 hour 25 minutes

Ingredients

- 3½–4 pounds ripe Sweet Gypsy peppers (about 20–24 peppers), stemmed and seeded
- 1 large sweet onion, quartered
- 1 large leek, sliced
- 1 whole head garlic
- 1 (15 oz) can cannellini beans, drained and rinsed
- 2–3 cups rotisserie chicken or cook your own, pulled into bite-sized pieces
- 3–4 cups low-sodium chicken broth or homemade bone broth
- ½–¾ cup plain whole-milk kefir
- 2 Tbsp extra virgin olive oil
- ¼ cup toasted pepitas (optional)
- 1 ripe avocado, thinly sliced
- 1 Tbsp fresh thyme leaves
- ¼ cup chopped parsley
- 8–10 basil leaves, chiffonade (for garnish)
- 1 tsp smoked paprika
- ¼–½ tsp cayenne pepper
- Sea salt to taste
- freshly ground black pepper to taste
- Juice of ½ lemon

Directions

1. Roast the peppers, onion and garlic at 425°F for 30–40 minutes until lightly charred. Steam peppers for 10 minutes. Peel only if desired; leaving most skins adds fiber and nutrients.
2. Sauté the leek in olive oil for 5 minutes. Add roasted vegetables, beans, broth, thyme, smoked paprika and cayenne. Simmer 15 minutes.
3. Blend until silky smooth. Stir in lemon juice and adjust seasoning.
4. Add the chicken and heat gently for 5–10 minutes. Do not boil.
5. Cool below 140°F before stirring in kefir and parsley.
